

NATIONAL RESEARCH COUNCIL  
CONSEIL NATIONAL DE RECHERCHES

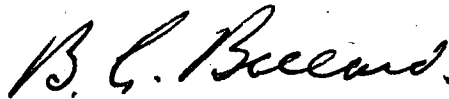

MEMORANDUM:-

TO  
A

Dr. G. Herzberg

In his will, General McNaughton left all his trophies, medals, etc. to Mrs. McNaughton, to be passed to the National Research Council within two years after her death. Mrs. McNaughton has graciously suggested that it would be much better if these historic items were passed to NRC now, and accordingly, a brief ceremony is being arranged for the formal presentation of these items by Mrs. McNaughton.

The ceremony will take place in the Auditorium of the NRC Sussex Drive Building at 4:30 p.m. on Wednesday, March 8. Following the ceremony, you are invited to the Directors' Room (1017) for refreshments, and to meet Mrs. McNaughton. I hope that it will be possible for you to be present.
