DIVISION OF ADMINISTRATION

OTTAWA 2,
February 9, 1960.

Dr. G. Herzberg,
Institut d'Astrophysique,
Universite de Liege,
Cointe-Sclessin, Belgique.

Dear Dr. Herzberg:

Dr. Steacie has already made plans to attend the meeting of the Nato Science Committee on April 6 and 7. Accordingly you need not worry about being asked to attend these meetings.

When you return to Ottawa in March we can have a general discussion on the Science Committee.

Yours very truly,

J. D. Babbitt,
Secretary for International
Relations.
